

## WHO WE ARE, WHAT WE DO:

The Redmond Flag Committee is a group of patriotic business people, civic and veteran organizations, community leaders, and individual volunteers. We line the streets of Redmond with flags on various patriotic days and holidays, which requires two things: flags and manpower. If you look closely at any of the flags you'll see that each is embroidered with a name. We encourage you to purchase your own flag (see inside panel for flag order form). We depend on your generosity and patriotism. Manpower takes the obvious form of putting up and taking down the flags. There are also other jobs such as drilling and cleaning flag holes in the spring, washing flags, etc. This is provided by the Committee and the various organizations and individuals who wish to help in this effort.

## OUR MISSION:

Flags are flown on our city streets during appropriate holidays and other special occasions. The acquisition, display and perpetual care of the flags are paramount. Since this is a community endeavor, we would like all area organizations, clubs, businesses and interested individuals to join us in our continuing efforts.

## HOW YOU CAN PARTICIPATE:

### BUY A FLAG \$100

Your \$100 (or more) donation brings a beautiful 4'x 6' nylon flag to the streets of Redmond, with the name embroidered on its canvas spine. It is accompanied by an attractive certificate attesting to its having been flown over the United States Capitol in Washington D.C. (avg. flag lasts 20 years)

### ADD A 2ND NAME \$10

### LEGACY FLAG \$500

The Legacy Flag program has been created to provide a lasting memorial to those whom the flag has been dedicated. Legacy Flags will proudly display the honoree's name between two stars embroidered on the canvas spine of the flag. The stars will indicate Legacy Flag status for future generations and when the flag has run its course, and needs to be retired, the Redmond Flag Committee will automatically replace the flag – Forever!

\* Your \$500 will assure that the flag you buy will be flying for generations to come and is great way to remember loved ones. In addition, each Legacy Flag purchaser will receive a Certificate from the Redmond Flag Committee and signed by the Mayor of Redmond.

\* "Forever" is long time, and no one can predict the future, but as long as the Redmond Flag Committee or a like organization is in place, your flag will be replaced.
